December 7, 2020

Dear Union Grove Members, Friends, and Family:

As we move through the winter months, we must remain as vigilant as ever and work together to stop the spread of COVID-19. We must continue to do our part to protect our communities by avoiding nonessential trips, maintaining six feet of distance from others when we must go out and wearing a mask, and using good handwashing technique. Thank you for helping us keep our Members safe.

Over the weekend at Union Grove, one Member and zero employees tested positive for COVID-19. Currently there are five active positive cases of COVID-19 on campus (two Members, three employees).

Beginning in January 2021, we will be moving to email and text notifications, instead of mailed paper letters, as our primary way of sharing these updates. If you have not yet added yourself to our email and phone mailing list, please do so now at www.WisVetsEmail.com. If you would like to continue to receive printed and mailed letters, please contact Michelle Adamek at (262) 878-6753.

Sincerely,

Erin Johnston
